

# Tax Sensitive Aggressive 98% Equity Allocation Portfolio

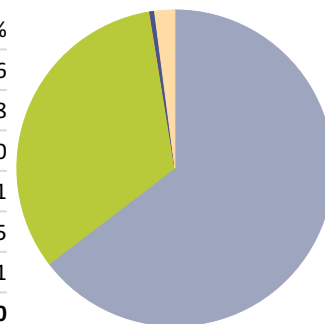

## Investment Strategy

Tru's Tax Sensitive ETF Portfolios are long term oriented, diversified, multi-asset portfolios that invest in low cost ETF's that enjoy favorable tax treatment on capital gain payouts. The fixed income portion of the portfolios invest primarily in municipal bond strategies. The Aggressive portfolio seeks long-term capital appreciation, through diversified investments in US and international equity mutual funds and ETF's. The strategy is susceptible to market volatility but offers the opportunity for the highest return level over multiple market cycles. It is intended for financially stable or young investors with at least an 10 year time horizon.
